We provide one-on-one, customized coaching services to help leaders and employees develop their skills and achieve their goals.

At Glenn Diversity, we understand the importance of having a clear path and vision of what success looks like to you professionally. Our coaching services can assist leaders and employees who are ready to plot the course and effectively work towards their professional goals.

Jackie Glenn, CEO and Founder of **Glenn Diversity Inclusion & HR Solutions**, will serve as your coach. Together, she will help you identify your strengths as a leader and contributor to the organization, pinpoint 3-4 strategic goals to work towards, and mentor you through your implementation plan.

Our coaching engagements are a **six-month commitment**.
